BIOGRAPHICAL DATA:

Barry has been a professional investigator for more than thirty years. He began his career in the public sector as a police detective and later served as an investigator for the District Attorney's Office for the 19th Judicial District of Mississippi. In 1982 he moved to Shreveport, Louisiana to accept a position with INS Investigations Bureau, Inc. In 1989, he was promoted to District Manager of the Memphis Office for INS and in 1995 he joined Unified Investigations & Sciences, Inc., as Territorial Manager of the company's Memphis Office. He presently holds the position of National Director of Quality Assurance with UIS.

Barry is a Certified Fire Investigator through the International Association of Arson Investigators. During his career he has attended numerous classes and seminars, and he has investigated or supervised the investigation of several thousand fires. He has written and published a number of articles dealing with various aspects of fire investigations, and has taught and lectured on investigative techniques throughout his public and private sector career.
